

“God Made Me”

by Randall Goodgame and Andrew Peterson
Originally recorded by Slugs and Bugs

A D
God made slugs and bugs and rats and bats
Em
And silly bees that don't say please
A D
They'll sting your elbows and your knees if you chase them

A D
God made snakes and snails and killer whales
Em
And if you were a baby seal
A
Then you would make a tasty meal for orcas

Chorus:

D Em
God made me like He made the sea
A D A
He filled it up with green and blue
D Em
He sent His Son, His only One
A D
To fill me up and make me new

God made everything that was or is
Or will be, what a crazy biz
I can't believe that I am his forever

Now I listen very carefully
Because He lives inside of me
That could be gross, but it's not 'cause it's Jesus Christ, My Lord and Savior!
